The people come,  
The people go,  
In one continuous  
Surging flow :They buy my goods, and come again,  
And I'm the happiest of men.  
The secret of this fortune lies  
In one small fact which, I may state,  
Too many tradesmen learn too late---  
If we have goods we advertise !Then people come,  
And people go  
In constant streams,  
For people know,That he who has good wares to sell,  
Will surely advertise them well ;  
And proudly I reiterate  
I am an advertiser, great.  
See our lists for anything wanted,  
If you haven't them, send for them.
